Misaka-san~ lately you've been

Eh, wait

What are you saying, Misaka-san?

Are you okay?

Your nose is bleeding... are you okay?

Why are you continuing talking like nothing happened?

You did just fall down, didn't you?

Ehh?

Actually, didn't you fall face-first?

You're so slow

No, there's no way you don't

I just don't understand what you're saying, Misaka-san

ED ED ED

Hey, you

It's not like anyone saw anything, or that anyone has video data...riiight?

BEEP

If you're going to be that persistent, do you have evidence or something?

rustle

You've been saying nothing but weird things for a while now...

Jeez Misaka-san

Whatever could you be talking about~

You used your ability just now didn't you?

WHAAAT!?

HOW IS MY CHEST REL-EVANT RIGHT NOW!!?

You're an esper and yet, not only your chest, but even your head is disappoint-ing?

PANS

There had to have been something else you could've used to change the subject...!

Araa~ I wonder what subject changing you're talk-ing about...

Let your pathetic chest be the only thing we change topics to, please

quiver

quiver

In the first place, just how often do you fall face first?

Pft

It-...It's not like they're pathetic!

DON'T LAUGH!

TWITCH

Before you say all those things about other people, you should do something about those pathetic reflexes of yours

WHAAAT!?

Could you please not get jealous just because you're such a that?

I DON'T GET WHAT YOU'RE TRYING TO SAY!!

I don't get what you're trying to say!

Aren't you the one who's a that?

"That"? What is "that" supposed to be!?

You're the one who said it first!

The one who calls other people a that is a that them-selves~

Hah

Hah

Hah

Hah

Yeah, you're right...

Enough already. I'm tired and this is not productive

Haa

.....?

Come on, let's go

Are you possibly taking me behind the school building?

You're scary~

Haa

You...

...What are you talking about?

Didn't you twist your ankle when you fell?

TWITCH

Like I said, that's enough already. ...Jeez

I'll take you to the infirmary

So let the nurse check your foot and nose just in case

.....

What do you think I am?

What kind of turn of events is this?

Misaka-san is trying to lend me a hand

I can't overlook an injured classmate, can I?

Regardless of who it might be...

Giggle...

……

You know my ability, don't you?

Getting someone's help is no trouble

Yeah

But yeah, you're right...

Using my ability for every little thing is tiring anyway

Since you're going through the trouble, I think I'll accept your help...

Today ...

you're unusually "that", huh?

What is "that" supposed to be~?

END

← THE NEXT PAGE ON IS AN OMAKE MANGA

「AFTERWARDS」

Eh...

What!?

Why? Taking you by the shoulder is fine, isn't it? By the shoulder

Well then, Misaka-san

Will you carry me there? ❤

I'm only lending you my shoulder

HMPH

It's not like it's so bad you can't walk

Not really

Shoulder piggyback is a bit too...

It's obviously not that

Wha-!?

Sto-

BOOM

Theree~

BAM

saqu

ish

Oh ho ~

Move those damned things off me already!!

What's wrong? Misaka-saan~

UGA AAH !!

あとがき
なんだかお久しぶりのとある本です。こんにちは。
椋木ななつです。

ラスト２ページのマンガ、本当は間をおいてあとがきの後に載せる
オチページの予定でしたが、ミスってページ数が足りなかったから
間を置かずに載せるハメに…
次からちゃんと気をつけよう。

食蜂さんが超電磁砲で初登場した時に可愛い！と思いいつか同人で
描きたいなーと思っていたらアニメで登場！原作小説でも登場！
でテンションが上ったからこれはもう夏コミで描くっきゃない！
ってな感じで描いたのがこの本。楽しかった！
いつか上条×美琴×食蜂の三角関係とか描きたいなーっと！

ちなみにタイトルの「みさ×みさ」はみさかとみさきから
取ってます。

たぶん次のイベント参加は冬コミになると思います。
色々描きたいのはあるけどもいつもその時の気分で描くもの
決めてるのでなに出すかは未定です。

ではまたいつかお会い出来ればこれ幸いです！

←裏表紙に使おうと思ってたけど
ボツになった美琴さん
